Pasji Rep Pinot Noir 2022

Organically grown, hand-picked, natural fermentation & minimal intervention during the vinification process. The recipe for one of the better pinot noirs in Slovenia.

Samo Premm makes biodynamic wines from a few mini-vineyards in the Vipava valley, Slovenia. One of the better 'terroirs' in the country. Combined with natural vinifications, you can taste that in your glass. Top! Year after year he knows how to distill his style and increase quality.
