# Norzagarai Garua 2023

Norzagarai Vinos Autenticos is Santiago's one-man project. Originally Basque, he found the vineyards in Rioja Alavesa from which he wanted to make wine. Keywords: low intervention wine, single Vineyard, elegance.

This Garua is the house's entry-level wine; but what a wine. Santiago wanted to make a not too heavy, elegant, fruity interpretation of Rioja-tempranillo. By using maceration carbonique (cfr Beaujolais) he succeeds fantastically well.

A fruit bomb of jewels is what you get in your glass. Blueberries, blackberries and red forest fruit dominate the nose and the taste. A medium body, velvety tannins and the fine structure make this Rioja an ideal wine to drink as such as well as an accompaniment to your lighter meat dishes.
