

Ferdinand Rebula 2023

Ferdinand's wines are characterized by their finesse, elegance and pronounced minerality. The classic series of the domain is made to fully do justice to the typicity and fruitiness of the grape variety used.

This ribolla shows that this grape is truly an all-rounder. Where most winemakers opt for full, sultry styles, Matjaz shows that you can also work with this grape in a particularly refined way. Minerality and freshness are truly the keywords here. In terms of flavors, we find ourselves in the softer citrus notes and fresh apple atmospheres. Refreshing!
