

Frasca La Guaragna Sèj 2023

The Frasca family's love for Piedmont and its world-famous wines inspired them to return to Italy. The plan: to produce elegant, terroir-expressive wine in Nizza Monferrato. An introduction to winemaker Matteo Gerbi was the spark that made this vision a reality. Matteo's extensive experience in prestigious wineries in the Langhe region helped to map out a clear path. Today, Matteo leads a passionate team, following the original vision with an eye to the future: to make the most beautiful wines you can find in Nizza.

This Sèj is a fine, delicate blend of Roero Arneis & Riesling. The aromatics of Roero Arneis are complemented here by the freshness of Riesling. Elegant, refreshing and already particularly tasty when young.
