Kracher Beerenauslese Cuvee 2022

Gerhard Kracher is world-renowned for the quality of his sweet wines. This beerenauslese is obtained by a thorough selection of the best overripe grapes.

In this wine you will find aromas and flavors of ripe yellow peach, mandarins, honeydew melon and yellow stone fruit. Again, the wine is characterized by the wonderful interplay between sweet and sour notes. Despite the high sugar content, you will never experience a sticky feeling here.

For lovers of the better sweet stuff.
