

Il Torrione Sagrantino di Montefalco DOCG 2015

Montefalco Sagrantino is one of the two DOCG wines in Umbria. This wine has been made and enjoyed since the Middle Ages. Montefalco Sagrantino is a particularly intense, powerful and complex red wine. Usually it also needs a few years of bottle aging to fully develop. In this case, however, the wine has already been bottle aging for 6 years on the estate. Which means that you can bring a ready-to-drink version into your home. 2015 was also a particularly good year for this grape, which needs a fair amount of sun to achieve the perfect balance between fruit, tannins and acids. Expect aromas of dark fruit, dried fruit, chocolate, leather and fine herbs.

23.97 €
