

JNK Merlot 2009

JNK by Kristina Mervic is one of the most interesting natural wine estates we have been able to discover in recent years. Kristina works biodynamically on a small 3.5Ha vineyard in the North of Vipava, on the border with Goriska Brda. Pure & complex are the most important keywords here.

This very special Merlot is characterized by a particularly refined winemaker's hand: an enormously wide range of aromas and flavors, fine texture and velvety tannins.
