JNK St Michaël 2017

JNK by Kristina Mervic is one of the most interesting natural wine estates we have been able to discover in recent years. Kristina works biodynamically on a small 3.5Ha vineyard in the North of Vipava, on the border with Goriska Brda. Pure & complex are the most important keywords here.

This wine has a beautiful straw yellow color and a rich, refined taste. In the bouquet, notes of hay emerge, together with lime blossom, green apples, dried apricots and pears. At the end, there is a subtle hint of elderflower to discover. The taste is soft, fresh and refined with an elegant and long aftertaste.
