Kracher TBA Nr3 Welshriesling 2009

We were able to obtain some older vintages of Gerhard's world-famous botrytis wines. Enjoy without having to mature your own bottles? Seize your chance.

Gerhard Kracher is world-renowned for the quality of his sweet wines. Gerhard knows like no other how to maintain the balance between sweetness and acidity; he even succeeds in letting the characteristics of each grape speak in his noble rot wines.

Fine nuances of candied orange peel and delicate herbs in the nose. Aromas of honeydew melon and yellow stone fruit in the mouth, juicy, very complex, rich in finesse and elegant, good acid structure. Mineral components, fine nougat in the aftertaste.
