Marko Fon Malvazija Selezione 2021

The grape whisperer. That is the nickname that immediately came to mind after a visit to Marko's winery. Marko lives among his vines; and treats them as well as his children. And that results in beautiful wines.

This Malvasija Selezione is, as the name suggests, the selection of the best Malvasija grapes on the estate. Even more refined, even more finesse, even more minerality.
