

Pablo Claro Tempranillo 2023

This tempranillo from sunny Spain gives you much more than you would expect for this price. Deliciously fruity, with both red fruit (cherry & raspberry) and a light spiciness. The ideal wine for every day. If you add to that the grapes are grown in a responsible way, the picture is complete. At Dominio de Punctum all grapes are grown organically.

You can drink this wine as it is or in combination with all kinds of meat dishes. The ideal BBQ friend.
