

Marjan Simcic Ribolla Cru Selekcija 2023

The Selekcija wines of Marjan Simcic are among the best wines from Slovenia. Served in gastronomic restaurants from Tokyo to New York; perhaps soon at your table?

Straw-yellow colored wine with golden sparkle. Very complex wine with a broad bouquet of ripe citrus, dried fruit, toast with butter and cedar wood. In the mouth we find a round, oily wine with backbone. Fine acidity in the background. This is world class with very long storage potential.

Note: do not drink this white wine too cold. Serve around 13-15°C.
