

Sohm & Kracher Chardonnay St Georg 2022

The very first Sohm & Kracher Chardonnay – and what a debut it is!

When the renowned duo expanded their vineyards, known mainly for their Grüner Veltliner, they discovered an exceptional Chardonnay plot. After years of careful experimentation and refinement, they've achieved the quality they were aiming for.

Expect a fresh, vibrant aroma with delicate limestone notes and a refined mineral crispness. On the palate, the freshness continues, joined by a subtle saline touch that adds depth and elegance.

A pure, modern expression of Austrian Chardonnay craftsmanship.
