Ferdinand Brutus 2020

Ferdinand's wines are characterized by their finesse, elegance and pronounced minerality. This Brutus is the absolute top of the line of the house. The best Rebula grapes of the house; a year of skin maceration in oak barrels and another year of maturation in oak is the recipe for one of the best orange/white wines of Slovenia. Not so long ago, Decanter voted the best orange wine of Slovenia and one of the best orange wines in the world. We are not the only ones who are crazy about it.
