Slow Artisanal Wines Yellow Muscat 2025

Slow Artisanal Wines is a Slovenian winery where wine is given time to breathe, evolve, and speak. Childhood friends Marko and Matija craft natural wines with extended skin contact and without compromise. Each bottle captures the raw spirit of Štajerska — wild and alive. No tricks, no additives — just soil, grape, and the touch of the winemaker.

Muscat in its purest and most authentic form. 10 days of maceration highlight its intense floral aromas, citrus, and dried fruit notes. This wine is dry but highly aromatic and has a long, lingering finish, making it a perfect choice for lovers of expressive wines.

13.22 €
